

GRADING/DRAINAGE-PERMIT-APPLICATION CHECKLIST

Please complete the following checklist accurately. It is an important part of your permit application -- submitting an incomplete application may delay the issue of your permit. The checklist is used to determine the project's compliance with local ordinances prior to permit issue. It is intended to assist you in complying with these requirements. In addition to this checklist, you must submit an Application for Plan Review and Building Permit and **THREE** sets of full-size (24" x 36") site plans. The site plans must show:

1. The existing topography with contour intervals not to exceed 2 feet.
2. The proposed finished topography with contour intervals not to exceed 2 feet.
3. All existing and proposed drainage facilities, including the location of all piping, catch basins, yard drains, etc.
4. All existing and proposed retaining walls and/or rockeries over four feet in height.

Please describe the nature of the proposed project for which this grading/drainage permit is required:

Please describe the proposed waterway for disposing of storm water. (i.e. storm drain, natural drainage channel, etc.)

What volume of soil will be exported or imported, in cubic yards? _____

Will the project include any retaining walls or rockeries over four feet in height? yes no

Will the project require excavation or other work on public streets or rights of way? yes no

I certify under penalty of perjury that I am the owner or the duly authorized agent of the owner of the property for which this permit application is made and that all information furnished in support of this application is true and correct.
